**British Club in collaboration with NEET Placement and Career
Counselling Cell**

**REPORT OF TRAINING WORKSHOP CONDUCTED ON BASIC
COMMUNICATION SKILLS**

A training workshop was conducted by British Club in collaboration with NEET Placement and Career Counselling Cell on 20/1/2020 for II BDS students on the topic Basic communication skills. A total of 71 students participated in this event.

The session started with the committee members explaining the importance of developing impressive conversational skills to achieve success in one's profession especially the healthcare professionals globally. The students were motivated and told not to get shy and embarrassed during speaking to their colleagues. Tips and tricks were shared with them regarding how to speak fluently, importance of reading books and editorials, hearing news articles and improving their pronunciation and body language during communication in different scenarios such as appearing for an interview, introducing oneself, public speaking, etc. They were guided to not be afraid of making mistakes and try to speak confidently.

The presentation included various examples of legendary personalities who initially were introvert and did not speak but later on they became famous orators. The students were then given group activities where each student was given a scenario and encouraged to communicate clearly and coherently. This session was very helpful to the students and boosted their confidence to develop their communication skills.

Career Counselling – Activities 2020-21

SWARGIYA DADASAHEB KALMEGH SMRUTI DENTAL COLLEGE AND HOSPITAL

Report on Workshop 'What after BDS?' conducted on 11th February 2021

Swargiya Dadasaheb Kalmegh Smruti Dental college and Hospital arranged for Career Counselling workshop on 11th February 2021 at 10:00 am at Smart Room by Dr. Ashish Lanjekar, Reader, Department of Oral Diagnosis and Radiology on the topic "What after BDS?" where the target audience was Interns. The workshop was attended by 84 participants.

The session was initiated by Dr. Ashish Lanjekar, by describing various options after BDS, both related to dentistry and other streams like MBA, MPH, UPSC, Forensic Science, various other National and International Courses that can uplift the career for the benefit of the undergraduate students. He also outlined the basic processes a student has to undergo while applying for higher education in different countries abroad. Followed by the lecture, question and answer session was arranged, where the doubts regarding numerous career options were cleared.

conducted on 22.6.2021

Respected Sir,

A webinar was organized on "Masters in Public Health-Career Opportunity after BDS" for the UG students, PG students, Interns, alumni and teaching staff members of our institute on 22.6.2021. The speaker for the program were the alumni of our institute who are pursuing masters in public health from B.J.Medical College, Pune and Government Medical College, Nagpur.

The program started with a brief introduction about the program by coordinator of program Dr.Romita Gaikwad. The speaker of the program Dr. Mayuri Bawankar gave all the details about masters in public health including the future prespective of the course. She also informed about the various tasks that are a part of their day to day routine while pursuing the course. Dr. Vanashree Zade, the second speaker of the session gave the details of various activities that are done in this course. She also mentioned that during COVID 19 pandemic they have performed COVID ward duties very efficiently. The third speaker for the webinar was Dr.Neha Kale who informed all the participants about the course. Dr Shini Wankhade also shared her valuable knowledge regarding career in masters in public health.

A total of 117 participants actively participated in the webinar.
