Report of interaction with students regarding 'Overseas career opportunities for Dentists' by Dr Burak Hasar

An interactive session was conducted on "Overseas career opportunities for Dentists" by Dr Burak Hasar on 17/11/2022 at 12.00 pm by Department of Oral Medicine, Diagnosis and Radiology in collaboration with International Student Cell. It was attended by 63 students including Undergraduates, interns and Postgraduates.

Dr Burak Hasar is Periodontist by profession and is the owner of Medikodent Dental Clinic in Turkey. He informed about the dental practice rules and regulations in Turkey and overall in middle east countries and his experience of running his private practice in addition to being an academician. The session was very much beneficial and also the participants interacted with the speaker and asked their queries to which the speaker responded enthusiastically.

**REPORT OF WORKSHOP CONDUCTED ON “SCOPE OF DENTAL RESEARCH IN
ABROAD” ON 06/01/2023**

A workshop was conducted on “SCOPE OF DENTAL RESEARCH IN ABROAD” by Dr. Namrata Khetal on 06/01/2023 at 5.00 pm by Department of Periodontics in collaboration with International Student Cell. It was attended by staff members, Postgraduates, interns and Undergraduates. It was attended by 35 participants, including 9 staff members and 26 students.

Dr. Namrata Khetal is an alumna from Swargiya Dadasaheb Kalmegh Smruti Dental College and Hospital, Nagpur. She started the workshop with introduction of research. She mainly focused on importance of research. She guided and motivated students for conduction of research. She stated that collaboration with other industries may help us for experimenting new ideas and creating innovations in our field of dentistry. She also suggested young researchers to inoculate and grow new ideas to create innovation.

She also interacted with Post graduate and undergraduate students regarding their progress and areas of interests for research. She suggested to choose a topic which was innovative and research worthy in field of dentistry where collaboration is possible. She also suggested various funding agencies which can be approached for support in conducting research.

The session was very much beneficial and also the participants interacted with the speaker and asked their queries to which the speaker responded enthusiastically.
